The condition of the sell it into a life of hardship and asked the doctor to kill it. The doctor then decided to give a horse flesh banquet, and he had the animal killed, by cents a day, which is the lowest figure ever reached.

#### BRYAN ON THE "PLAN."

How the Capitalistic Class is Favored

Against the People. Washington, Dec. 20.—"The president has endorsed Mr. Carlisle's plan and the banking committee will probably report a bill substantially along the lines laid EARTHQUAKE IN HUNGARY.

down in the secretary's report," said Congressman W. J. Bryan of Nebraska, today. "It will in all probability pass the house, but may not get through the senate. The silver sentiment is relatively Buds Pesta, Dec. 20.—A violent earth- stronger in the senate because the westquake shock lasting one minute was ex- ern states are for silver and are equal in perienced at 10:20 p. m. yesterday at Or-avicza, south Hungary. Many houses but are not equal in the house. Aside fell and the walls of others cracked, from the fact that the adoption of the roofs fell in and cornices tumbled into president's plan would delay the the street. Less violent shocks were felt at 1 and a multitude of people who would oppose free silver lest it might interpante after the first disturbance, and passed the night in the streets in spite of the severe cold.

2 a multitude of people who would oppose free silver lest it might interfere with the profitable business of issuing bank notes, the plan is fundamentally wrong in principle and dangerous in ly wrong in principle and dangerous in ly wrong in principle and dangerous in ly wrong in principle and dangerous in light interpanted to the severe cold. policy, and will be found full of objections in practice. In giving the banks the right to issue money upon payment Large Quantities Are Shipped to This of one-half of 1 per cent on the circulation, it virtually loans to the banks at

snails are annually shipped to the United States from Europe to be eaten by epicures, yet this fact is set out in consular reports received at the state department from France and Switzerland.

From France alone the shipments of these snails in one year amounted to 224,260 pounds. Those shipped to the first quality of 1 percent, and then say to the less that medicine have failed to cure. United States are of the firest quality and sell for \$4.82 per thousand snails. Large tracts of ground in France are devoted solely to the propagation of these snails.

Those snapped to the capitalist, at one-half of 1 per cent, and then say to the less fortunate. We cannot loan to you, but you can borrow of the capitalist at from voted solely to the propagation of these snails. ness men have as much reason as the bankers to ask for the right to lasue money. There is no other objection equally strong, If the banks issue money they control the volume of the currency and can expand or contract it at will. Such a power is too enormous to extrust to private parties, who may use it for their own pecuniary profit. The cry has gone up that 'the government must go out of the banking business.' It ought to be met by the response that 'the banks must go out of the governing business."

# EMPRESS SENDS THANKS.

Dowager Empress of China Acknowledges the Gift of a New Testament.

LONDON, Dec. 20.-A dispatch from Shanghai says the dowager empress of China, through Tsung Li Yamen, has conveyed to the Hon. Charles Denby the American minister, her thanks for the gift of a New Testament by the foreign ladies resident
